NEWSLETTER

We have a month left of our Spring Term! Time is flying and we are having an exciting time with choreography refinement and costume arrivals! We are so excited to have our friends and family enjoy our performance and witness what we've been working on all term!

SPRING TERM:

Remaining balances for classes are now due. Please reach out to Michelle if you are unsure if you have an outstanding amount.

Thank you all for maintaining good hallway etiquette between classes. Your cooperation and efforts are appreciated!

For our younger dancers, please be sure to use the washroom prior to class starting to maximize rehearsal time in the studio.

For stroller parking, please fold up and leave behind the stairs at the building entrance. Since the space is limited, as the weather gets better, please lock up your stroller on the patio outside to avoid congesting the hallway.

WORKSHOPS:

Miss Shannon is teaching a few workshops:

Sunday, May 24th

3:00-4:15pm

Adult Contemporary

4:15-5:30pm

Adult Chicago Broadway Themed Jazz

You can find further details on our website along with registration details, including 20% off the second class if you'd like to register for both.

HOLIDAYS:

The studio is closed from May 15th-18th for Victoria Day weekend. There are no classes on Sunday, May 17th. We are back to class on Tuesday, May 19th.

COSTUMES:

For those performing at recital, your costumes are in the process of being distributed. Please be sure to try them on and make sure they fit. If you have any concerns, please reach out to Michelle.

Costume balances are due upon retrieval. You will receive an invoice and can also check on our web shop when it becomes available.

PICTURES & DRESS REHEARSAL:

On Sunday, May 31st, from 10:30-3:45pm, at Artscape Youngplace (180 Shaw Street), we will run a dress rehearsal

and take photo's in costumes.

The schedule is posted on the website; just click on the date to view your groups scheduled time.
