Hello Dancers!

What an eventful month we had at the studio! It was so much fun celebrating Halloween with you all and sharing our creative costumes with each other. We had a blast meeting your friends during our *Bring a Friend Week* as well! Check out our socials for more pictures!

FALL TERM:

It's already midway through the term, which means our classes are in full swing. The remainder of the term fees are now due.

Upon arrival to the studio, be sure to use the washrooms downstairs to change, and wait in the hallway until your teacher opens the door to start class. Please do not leave the little ones unattended in the hallways.

Please remember, this is a shared space. It's important to be mindful of others in the building, so please keep the noise level under control, and give the teachers time to set up the space and prepare for the dancers.

During class, parents must wait outside to allow the children to learn independently and with their peers. The focus is needed to be able to follow the teachers instructions and learn in a safe and respectful environment. If there are any issues please do not hesitate to talk to your teachers.

PARENT OBSERVATION WEEK:

As classes progress, dancers should become more comfortable as we work through our skills, choreography, and performance components.

We will hold an observation week for parents to come into class during the week of December 6th to 10th, to see what we've been working on and showcase our progress.

ADULT WORKSHOPS:

Our next workshop is Adult Absolute Beginner Jazz on Sunday, November 22nd from 3:00-4:30pm

Registration is available on our website.

WINTER TERM:

Registration will open midway through the month for our Winter Term which will run from January 10th to March 11th on the same schedule as the fall term.

MASSAGE THERAPY:

Appointments are available on Sundays & Tuesdays via mobile or at *Liberty Place*. Please plan ahead as November is currently fully booked.
