Hello Liberty Dancers!

We hope you all had a wonderful summer enjoying all the fun things it has to offer, whether that included camps, vacations, or summer fun in the city!

Thank you to our Adult Ballet dancers for joining us this summer! It's been a joy sharing our passion for ballet together. Thank you for sticking with us as we changed locations on such short notice! We are so grateful for your support and great energy.

We have one more class on August 29th for the summer, if anyone would like to trial the adult ballet class before we start the next term, you can still sign up for a single trial class.

This class is for beginners to intermediate dancers. We have a range of dancers who've danced previously, and some who are absolute beginners. All are welcome.

HOLIDAY CLOSURE:

The studio is closed

for all services from August 30th to September 2nd for the long weekend.

FALL TERM:

We are thrilled to welcome all of our dancers from toddlers to adults, back to the studio for our fall term starting September 22nd, running until December 12th.

Sunday and Thursday classes with Miss Michelle are relocated to 25 Liberty street inside Quest Chocolate, on the main level.

If the relocation will not work for you and you've already registered for the fall program, please contact Michelle to discuss your options.

Tuesday classes will continue at *Capsul* with Miss Michelle and Miss Andrea.

Trial classes are available before committing to the term and pro-rated fees are offered to those starting late in the term.

STUDIO WEAR ORDER:

For those who wish to place an order for studio wear, including shoes, leotards, tights, skirts and more, please place your order online or via email by September 10th. If you require an in-person fitting, please contact Michelle to set up an appointment.

MASSAGE THERAPY:

Registered Massage Therapy appointments are available on Tuesdays and Sundays via mobile practice or at Michelle's in-home studio at *Liberty Place*. Please visit our website for fees and details.

Thank you for supporting the performing arts and *Liberty Dance!*
