Hello Liberty Dancers!

We hope you're all enjoying the start to the long weekend.

Reminder, the studio is closed Sunday, March 31st, and classes are cancelled for the weekend.

RECITAL PREPARATION:

We had a great start to our spring classes as we started preparing for the recital coming up on Sunday, June 23rd at Pope Francis Catholic School (319 Ossington ave).

Tickets will be on sale in May. Dancers are free of charge, but anyone in the audience will require a ticket.

COSTUMES:

All dancers participating in recital have been measured and costumes will be ordered within the next few weeks.

The costume balance is due April 30th. You will be notified of any outstanding balance by April 15th.

If you are late in confirming recital participation, please contact Michelle to inquire if late confirmation is possible.

ABSENCES:

If your dancer will be absent at anytime please inform your teacher so we can send you a video of the choreography. This will help the dancer catch up on anything

that's missed as we create more of the dance each week.

MASSAGE THERAPY:

Registered Massage Therapy appointments are available through mobile visits or in Michelle's home practice at *Liberty Place*. Prices vary based on location.

Appointments are available from Sunday through Thursday every week.

Please contact Michelle for any further inquiries!
