HAPPY NEW YEAR!

Welcome back everyone! We hope you had a relaxing holiday season and a great start to the new year! It's almost time to get back into the studio and dance together again. Be sure to set some goals for the winter season and share with us what you're excited to learn!

WINTER TERM:

Classes commence Tuesday, January 10th and continue until March 9th. Tuesday and Thursday classes remain on the same schedule at *Capsul*. Saturday classes have now moved to Sunday at *Artscape Youngplace* on the same schedule. The first Sunday class is January 15th. There are no classes on February 19th.

Please continue to be mindful of your symptoms and take necessary precautions when attending class in person. If you'd like to join via zoom please let us know ahead of class time to allow us to set up.

Please continue to check your emails and *Bsport* accounts for any overdue invoices and updated receipts. Winter term installments are due on January 10th and February 7th. If you have any questions, please contact Michelle.

Register online with your *Bsport* login to make payment by credit card; be sure to pick the correct installment amount. If you'd like to pay via email transfer you can create a login online to enter your information and simply email transfer the required amount. Otherwise, you can download the document on the website and email your registration with your payment.

RECITAL 2023:

We are looking forward to preparing a year-end performance showcase in June of this year. We will start preparing for this in the winter term and continue after March break into the Spring term. We are hoping to have enough participation to run the show at *St. Frances Catholic School* at Ossington and Dundas, which is where we held our last recital in 2019. Check out some pics from our previous recitals in this newsletter! You can also follow us on *Instagram* and *Facebook* for more!

We will order costumes for the show and hopefully hold a picture day as well to conclude the year. We will have more details to share as we confirm the date. We are very excited to make our return to the stage and

showcase what the dancers have been working on all year!

A few special notes as we prepare for our year end show. We request that parents refrain from observing classes into the new year (exception for Creative Dance class since they're so young). This will allow the dancers to focus and prepare their dances to their best ability.

We would like to include the Creative Dance in the recital. We may need parental participation if the dancer is not comfortable being alone in class yet.

STUDIOWEAR:

Dance wear is available for purchase through Michelle. The order form is on the website along with the sizing chart. If you'd like to purchase shoes, let Michelle know ahead of time so we can fit your shoes in person before purchasing. Place your order by January 10th.

MASSAGE THERAPY:

Registered Massage Therapy appointments are available by mobile visits or at *Liberty Place*. Visit the website for more info!
